

Student Engagement Committee Rubric

Each 100% Engagement non-credit experience proposal is reviewed and ranked based on the below statements:

	Strongly Disagree (shows no evidence)	Disagree	Neutral	Agree	Strongly Agree
The experience as described in the proposal requires students to work independently and apply higher order skills to solve problems, contribute to an organization's broader goals, or explore issues.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The experience as described in the proposal offers students an authentic and relevant hands-on opportunity to take initiative, make decisions and be accountable for results of their actions.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The activities and competencies selected for this proposal are aligned with the experience as a whole.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The prior experience required of students enrolled in this experience is appropriate for the level of responsibility required by the activity.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The role of the staff or faculty member as described in the proposal provides adequate support to allow students to learn from successes, mistakes and natural consequences.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The reflection/application process described requires students to reflect critically on their experiences and make connections between theory and practice.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The proposal exhibits alignment between the student learning outcomes, activities and the structured assessment of reflection/application.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
